Patna, Bihar

SKILLS

- Version Control: Git, GitHub
- Cloud platform: AWS
- Observability tools: IBM Instana
- Containerization: Docker
- Strong Communication

EXTRACURRICULAR RESPONSIBILITY

- Debate Enthusiast: National-level debate winner
- Athlete: State-level track and field athlete
- Emcee: International Conference, PIARC, France
- Convener: Youthopia 2024
- President: MUN society at DITU

WORK EXPERIENCE

IBM (Summer Internship)- 2024

Key Skills: Observability, Monitoring, Cloud Computing

- Gained hands-on experience in observability by using IBM Instana to monitor application performance and resolve bottlenecks.
- Learned the fundamentals of CI/CD pipelines, including workflows for automated testing and deployment.
- Collaborated with cross-functional teams to create reusable digital assets, improving automation efficiency.

PROJECTS

Knots and Threads(Ongoing)

Key Skills: AWS, CI/CD pipeline

- Designing a scalable serverless e-commerce platform using AWS Lambda, API Gateway, and DynamoDB for backend operations, and S3 with CloudFront for hosting.
- Implementing user authentication with Amazon Cognito and payment processing integrated with third-party APIs.
- Automating infrastructure deployment and CI/CD pipelines using AWS CloudFormation, CodePipeline, and CodeBuild.

GRAPH PATH FINDER

Key Skills: Java, Swing, AWT

- Developed a java-based shortest-path finder using concepts of Swing, AWT to implement Prim's and Krushkal's algorithm.

EDUCATION

DIT University

Dehradun

Bachelor's in Computer Science & Engineering with specialization in fullStack and DevOps (2021-2025)

CGPA: 9.04/10.0

Loyal High School
